On behalf of teachers and students in the Persian Academy of San Diego, please accept our sincere appreciation and thanks for the grant which Alavi Foundation provided for the school year 2015-2016, Friday School. This grant enabled us to pay for an appropriate place and establish Farsi classes from first to fifth grade; Quran – Tajweed and Qera’at -- classes for Elementary to High School students; special sessions with guest speakers addressing drugs and social problems facing today’s youths, and cultural events celebration – for purpose of education – like Yalda Night, New Year’s Eve, included players from our community to perform traditional composition for students’ cultural enhancement which they never had such experience of it.

In total, our teachers have about 80 years of experience teaching elementary schools in Iran, which, Persian Academy of San Diego greatly appreciates them. Their services are provided with compensation neither requested nor offered.

We hope the support of Alavi Foundation sustains for Persian Language education, Cultural enhancement and Islamic educational enrichment for the youths of Persian community of San Diego.

Sincerely Yours,
Massoud Ajami
