Dear Friend,

I want to thank you for supporting the Clinton Foundation. Through your efforts, you have helped us grow into a highly effective international organization.

We currently have over 600 employees and volunteers working in over 30 countries, helping to combat some of the world's most pressing issues, including HIV/AIDS, climate change, and childhood obesity, while promoting sustainable development and economic opportunity. Underlying all of these issues is the Foundation's - and President Clinton's - fundamental mission of strengthening the capacity of people throughout the world to meet the challenges of global interdependence.

Enclosed is a copy of our 2006 Annual Report. I hope you will take the time to enjoy reading what you have supported, as our success is due in no small part to your efforts.

Our ability to build upon the global success we have achieved would not be possible without the continued support of generous donors. If you are so moved, we have enclosed a remittance envelope at the back of the report. If you are happy with our work, I hope you will continue to support us.

Thank you, again, for being a part of our team, and for making our work possible.

With gratitude,
