Dear Sir or Madam:

As the 2008 Centenary Campaign draws to a close, I want to thank you for your support of the Program which resides within the Office of Interdisciplinary Studies, previously the Department of Comparative Literature, Religion and Film Studies/Media Studies, during the period that marks the end of the University of Alberta's first century as a great University.

Your support helped us bring in International / Nationally Distinguished Visitors and support undergraduate teaching which allowed us to continue our climb to become one of the most respected Faculties in one of the best universities in Canada.

I thank you for believing in the Program and being one of our most esteemed patrons.

The Faculty of Arts will soon be setting up a donor page in the Alumni, Donors and Friends section of our website. Please look for your name starting this summer at www.arts.ualberta.ca . ✓

Sincerely yours,

Ken Munro, PhD
Senior Director, Office of Interdisciplinary Studies
